"The Pack," A Song & Dance Man Show Description:

"The Pack" is a show that celebrates the Song and Dance Man, the kind of rare performer bred from the nostalgic days of the Rat Pack era. This performer did not merely show up on stage to sing a tune. He was a **true entertainer**, a triple threat, a guru of the stage who's ability to sing, act and dance actively engaged audiences, hilariously customizing each show to the energy of every crowd. Through spontaneous comedy to the connection of a dramatic ballad, he led audiences to feel not only thoroughly entertained but that the song had been sung just for them.

"The Pack" is more than a tribute to Frank Sinatra, Sammy Davis Jr, and Dean Martin, to name a few. "The Pack" combines the best music of the time with the jaw-dropping showmanship of Broadway's leading men, and the style of the Rat Pack era!

Our internationally acclaimed performers come to you from international tours and the stages of New York City. "The Pack" can act as a headlining performance for a theater or live concert venue, or be the perfect focus of a gala event, annual banquet, or special private engagement. "The Pack," produced by International Producer and Choreographer, Sean McLeod, promises command performances by *our pack* of seasoned industry pros.
